SDLC Chaperone Agreement

Participating Schools

This Student Diversity Leadership Conference (“SDLC”) Chaperone Agreement (the “Agreement”) is intended to ensure that certain Chaperone expectations, along with the SDLC Code of Conduct, are delivered to and seen by all SDLC Chaperones. This Agreement should be read and signed by all Chaperones and submitted to you, the Member School. All participating schools must keep this signed Agreement on file for a minimum of four (4) years, pursuant to the school’s agreement with the National Association of Independent Schools (“NAIS”).

Chaperones

Thank you for your willingness to participate in the 2020 SDLC as a Chaperone. In this role, you will act as a liaison and resource for participating students. The National Association of Independent Schools (“NAIS”) will develop instructions and guidance in advance of and during the conference. It is the Chaperone’s responsibility to review all such information related to the conference, in order to support SDLC and its participants. If you have any questions about this Agreement, please contact your school, which can provide you with NAIS contact information as necessary.

Among your responsibilities, you will be asked to participate in an orientation and to ensure that your students have participated as well. Once the program begins, you will be a gatekeeper, responsible for managing the confidential online meeting links and distributing them as instructed; a liaison; and a supportive representative from your school. You will also be asked to coordinate with your students at the conclusion of some or all of the programming.

Given your crucial role, it is important that you review and understand the SDLC Code of Conduct, below. This code has been distributed to all SDLC participants.

By signing below, you acknowledge that you have been given this code, you have read the code, and you intend to uphold its rules and assist that all activity be carried out consistent with the spirit and mission of SDLC and its code. You further understand that any violations of the code or actions inconsistent with its spirit or mission may result in immediate removal of a student or chaperone from the program. Further, you understand that the actions of those connected with you or the student (e.g., those sharing the home or building from where you or they are participating), which interfere with SDLC, may result in the removal of you or the student from the program.
