SDLC Student/Family Agreement

Participating Schools

This Student Diversity Leadership Conference (“**SDLC**”) Student/Family Agreement (the “**Agreement**”) is intended to ensure that the SDLC Code of Conduct is delivered to and seen by all SDLC participants. This is not a registration document. This Agreement should be read and signed by the Student Participant and one of the student’s parents/guardians (“**parent(s)**”) and submitted to you, the student’s school. All participating schools must keep this signed Agreement on file for a minimum of four (4) years, pursuant to the school’s agreement with the National Association of Independent Schools (“**NAIS**”).

Students/Parents

You are receiving this document because your school has registered the undersigned student for participation in the 2020 SDLC. This Agreement is intended to ensure that the SDLC Code of Conduct is delivered to and seen by all SDLC participants. It also serves to notify parents that the undersigned student is participating in this online event. Parent partnership in education is important; we appreciate your consent and support. All students should read, sign, and date this Agreement below; at least one parent should do the same. Once you both have signed this Agreement, please submit it to your school. If you have any questions about this Agreement, or the logistics of your/your student’s participation in this event, please contact your school.

Signatures

By signing below, I agree that I have read the SDLC Code of Conduct in its entirety, and I agree to abide by its terms, to the extent they apply to me, and to support those to whom it applies. I also agree to act in the spirit of this code and in the best interests of the SDLC program. I understand that failure to do so may result in the immediate removal of the undersigned student or chaperone from the program, and preclusion from further SDLC participation. I also understand that the actions of other individuals connected with the student or chaperone (e.g., others in the same home or building) that interfere with the SDLC programming may also result in the student, chaperone, or school being precluded from further participation.
